

[Date]

Dear [Charity Contact],

As a member of [Your Club Name], I'm reaching out to share a grant opportunity available through a program our club proudly supports – **Eagles for Children (EFC)**. If your organization serves children facing adversity and is seeking program funding, I encourage you to apply.

About Eagles for Children

Each year, participating private golf clubs raise funds through a simple yet powerful model: members pledge a dollar amount for every eagle scored at their club during the season. **100% of the money raised is granted back to local children's charities like yours.**

How the Grant Process Works

- **July–September:** Eligible charities submit an online grant application.
- **October:** Each club reviews its own applications and allocates its raised funds.
- **November:** Funds are awarded at a grants banquet, bringing together grantees, club members, and EFC leadership.

Key Details

- Your organization must be a **501(c)(3) public charity with at least three years of history**.
- Each application must be endorsed by **two participating club members** (I'd be honored to be one of them).
- You may apply to **up to three participating clubs** for funding.
- The **online application is due by September 15**.

The process is simple, and Eagles for Children is committed to making it easy and meaningful for nonprofits doing important work in our communities. You can find details and apply at:

eaglesforchildren.org.

If you're interested or have any questions, please don't hesitate to reach out. I'd love to help support your application and share more about how EFC is making an impact — *for the kids*.

Warm regards,

[Your Name]
