VEHICLE REQUIREMENTS (What Your 4x4 Needs to Be Front-Line Ready)

Eligible Vehicles:

- 4x4 vehicles (2010 or newer)
- Pickup trucks (particularly needed)
- SUVs with off-road capability
- Diesel engines preferred

Technical Specifications:

- Good mechanical condition
- Functioning 4x4 system
- Basic off-road capabilities

- Diesel engine
- Manual or automatic transmission

Essentially, the vehicle needs to be a mechanically sound 4x4, preferably with a diesel engine. It doesn't matter if it's got some rust or dents on it – this isn't about cosmetics, it's about impact.

FREQUENTLY ASKED QUESTIONS

Q: Can I really do this with no rally experience?

A: Absolutely! If you can drive a car and follow a GPS, you're qualified. We provide training and support throughout the journey.

Q: What happens if my vehicle breaks down en route?

A: Our support network across Europe has your back. We'll help coordinate repairs or assistance wherever you are.

Q: Can I participate if I don't own a suitable vehicle?

A: Yes! We can help connect you with dealers selling appropriate vehicles, or you can join our "Virtual Rally" program.

Q: How do I know my vehicle will reach Ukrainian forces?

A: We provide full transparency and live news: You'll receive updates about your vehicle's journey and its final deployment.

Q: Can I write this off as a charitable donation?

A: Yes! We provide all necessary documentation for tax purposes in most European countries and the US.

Q: What if I can only participate for part of the journey?

A: No problem! We can arrange for your vehicle to be transported to key waypoints or directly to Vilnius.

Q: Is it safe?

A: The rally takes place entirely within EU countries, following established routes with full support teams. Your adventure ends in Vilnius - we handle everything beyond that.
