

THE CROCHET COLLECTIVE

The Crochet Collective is a club centered around crocheting, where beginners and experienced crocheters alike are welcome! Crocheting can be a great way to de-stress and be creative while learning or practicing a skill, and through this club, a great way to support charities as well. As a group, we make projects of varying difficulty, with the goal of selling the finished products and donating the profits to a corresponding charity. It is not necessary to attend all meetings, so if you're interested, please drop by!"
