

Boku no Kokoro no Yabai Yatsu Review

****some credit to art director and voice cast**

*******ด้วยเหตุผลส่วนตัวที่ภาค2 ทำได้ดีกว่าในแง่ Roamance เมื่อเทียบกับภาคแรกจึงลดคะแนนมาเหลือ 8**

While Anime romantic comedies are a dime a dozen get random thing or gag in many episode ,but boku yabai wasnt that starting with contrast lead with Ichikawa who avoid socialize and desire is to see his classmate Anna Yamada's beautiful face writhing in pain

Turning point:he is stalking her but rather than step in to help, he throws his bike down a hill,that what the point when Yamada get attention by ichikawa,Their relationship slowly develops into friendship.

Idea that i like:

カルテ (karte)

In Japanese, カルテ is used to refer to a patient's medical record,

#	Title	Air Date (Japanese)
01	I Was Stolen Away	April 2, 2023
02	I Died	April 9, 2023
03	I Want to Hug You	April 16, 2023
04	I Have a Problem	April 23, 2023

11	We're a Bit Alike	June 11, 2023
12	I Want You to Know Me	June 18, 2023

name of episode karte that mean patient's medical record can mean that this show is Ichikawa's record to know to Yamada

Summary: The Dangers in My Heart anime seems uncomfortable at first (After passing through episodes 1 to 4), the series gradually unfolds, driven by the character development of the two main protagonists, Ichikawa and Yamada. Ichikawa starts to push himself forward, leaving behind the things that held him back, while Yamada approaches Ichikawa with a desire to understand him better.

*****8/10

" The scene of extending an empty candy bag refers to the moment when Yamada offers candy to someone important to him/her."

******EPISODE 9******

He's been seeing all the hints, he just doesn't want to get his hopes up. That's the entire point of this episode and what the whole thing with the Switch was about.

When Ichikawa really wants something but isn't confident he can have it, he rejects it as a self-defense mechanism to protect himself against disappointment. His sister knows this too, which is why she offered to ask their parents to buy the Switch for him.

I just wanted an excuse to hate her.

“ผมแค่ต้องการเหตุผล ให้เกลียดเธอลง”

**I wanted it more than anything,
but knew it was hard to come by...**

“เพราะยังใจก็ไม่ได้มา ทั้งที่อยากได้มากกว่าอะไรทั้งนั้น”

I was afraid of getting too obsessed...

“กลัวว่าจะชอบมากขึ้นเรื่อยๆตอนอยู่ด้วยกัน”
