EXT. CONFERENCE ROOM - DAY

Camera pans over group of angry suits. Lots of yammering, yelling, hey hey i'm walkin' here style new yorker angry talk. In the middle sits ANGRY BIGWIG. He is clearly pissed about something. Suddenly, he slams his fist down.

ANGRY BIGWIG
Enough!

The room goes silent. DITZY BLONDE gasps.

ANGRY BIGWIG
We have to stop this intrepid Senator Duce! Everyday she's in Senate fighting for the everyday businessman by opposing big government choosing winners! I didn't spend twenty million dollars donating to Democrats for this!

Suddenly, the door opens. Mist emerges from the hallway, and a hissing sound is heard. Emerging is SNAKEHEAD, a foul creature with the body of a woman but the head of a snake.

SNAKEHEAD
Perhapssss I could be of assssissstanssse?

ANGRY BIGWIG

Dirty DNC Mika! Now here's someone we can use! If I donate to help you defeat Senator Duce, can I count on you to rig the economy for me and my technocrat goons?

SNAKEHEAD
I don't sssee why not! Usss Democratsss already destroyed sssmall businesssss under Presssident Nonprehensssssion! With our regulatory policiessss, no one will be able to prosper except our political alliessss!

The room breaks into evil laughter.
