

State of Dixie

Office of the Governor /u/Reagan0
600 Dexter Ave, Montgomery, AL 36130

FOR IMMEDIATE RELEASE

March 6th, 2018

It has been brought to the attention of the Office of the Governor that a prominent Dixiean, /u/detecting_guru has been charged with contempt of court in an overdue fine. I am sworn to protect the laws of this great state and therefore must serve in all capacities as an Officer of the Law. My career background is a legal one and I have great respect for our court system and therefore I cannot sit idly by as the Supreme Court of Midwestern State is so flagrantly disrespected. Therefore, as the charged resides in Dixie, I am making his arrest, detention, and subsequent bussing to a top priority. Director of the Dixie Intelligence Agency and Acting Sheriff of Dixie /u/hadesthewise is to begin a thorough search for /u/detecting_guru and a \$1,000 bounty has been placed on his head. A warrant for his arrest has been processed by the Justice Department as passed down by the Midwestern Supreme Court and our Justice and several Security Departments will make it their utmost mission to complete this objective. It is paramount to the stability of the legal system as we know it.

God Bless,

Dobs
