Hello!
Here are some links that can help support our English Learners during this unique time. We always work in the 4 areas of Listening/Speaking/Reading/Writing so there are resources for all four domains.

If you have questions about any of these websites, please let me know! I have log-ins created for the students for both Seesaw and Raz-Kids, so please send me an email at laura.cheng@kellerisd.net and I will send those to you.

Thank you!
Laura Cheng
ESL Specialist
