	Thank you. Regarding the page it is cached so can take a while for the new version to be seen up I've flushed the cache so you should be able to see it. Please note : mobile take have their own cache. Page is here: <u>https://adhduk.co.uk/</u>						
	~~~						

Got my client featured on this international media using HARO. got him 5 additional reciprocal links. The impact: ranked the linking page on search engine and increased his domain authority

What to Do When You're All Alone on Christmas

What to Do When You're All Alone on When you find yourself alone on Christmas, it's important to remember you can still have a festive season. Start by embracing self-care, indulge in your favorite holiday activities, reach out to friends or online communities, or simply create new traditions. You're not alone in feeling alone on Christmas, and there are many ways to make
