Update from the Board

Holiday Greetings from all of us on the Board. We hope you had a wonderful Thanksgiving! Those of us at Green Mansions enjoyed an early snow that lasted through Thanksgiving.

As we finish off 2018, we hope your celebrations are filled with peace, love, and light.

The Board has been busy again this fall - closing down from the summer season, working on recommendations for our Declaration and By-Laws, and thinking about the 2019 season. We are looking forward to sharing more soon.

Announcing Green Mansions Volunteer Corps - Get Involved!

So far, 25 volunteers have signed up to volunteer on projects that will enhance our Green Mansions community. Check out our [current list of projects](#).

We thank all those who have been weeding; Nora for volunteering to organize the bridge care; Martin for keeping our beach path clear; the kayak/canoe committee; and Jan & Peter for working on highway pick-up.

If you would like to add your name to the list, please e-mail Peter at: pmeshgmts@gmail.com

Announcing Green Mansions Social Activities Crew (SAC) - Get Involved!

Who is willing to sponsor a social event in the upcoming months??? A snowshoe, a ski, a game night, a progressive dinner, trivia night, movie night ... the possibilities are endless. Let's build an awesome community one activity at a time!!! Jump in the SAC with us!

If you would like to be involved, please e-mail Peter at: pmeshgmts@gmail.com

Certified Lifeguards Wanted for 2019

Green Mansions Tennis & Swim is hiring lifeguards for the 2019 season. Duties will include: lifeguarding, beach maintenance, boat sign out, and some tennis court maintenance.

We will be looking into the possibility of providing Lifeguard Certification training at Green Mansions early in the 2019 season - more details to come.

Bottles and Can Donations Thank You!

From Nora:

I would like to take this opportunity to thank everyone who contributed to our first summer cancer drive. As a result of your generosity and cooperation, we collected \$146.85 during the month of July and \$321.20 from August 4th to September 3rd for a grand total of \$468.05.

Mr. Ackley of the Warrensburg recycling store, per my instructions, split this amount between the families of a 4-year-old fighting Leukemia and a 15-year-old fighting kidney failure.

I would also like to also take this opportunity to thank two of our members who made a personal contribution -- Mr. Pete Stuto and Mr. & Mrs. Kevin Barry, both of Balsam Crest.

My building will continue to collect and, until the snow flies, I will leave the donation can and sign at the tennis courts for anyone who may want to continue donating their cans and bottles. Or you can drop them off in Warrensburg or at my building (Building 10).

There are always families here in our community that need our help, families that are going through a rough time. Even if we help them just enough to fill up a tank of gas for a visit to the hospital for treatment, it means a lot to them, so with everyone's help, I plan on doing this drive again next summer.

Again, I thank everyone and wish all of our members here in Green Mansions a wonderful and safe winter.
