Please help your child with his/her homework on Tuesday and Thursday nights.

Homework must be completed by your child with a pencil.

Your child has learned many new things but we have so much more to learn. Please help your child practice and review items from the report card and new material we have taught at school.

The weather is colder. We will go outside for recess whenever possible. Please make sure your child is dressed accordingly.

They need to wear a heavy coat to play outside on cold days. If your child does not bring a coat, they may not be able to go outside.

If your child needs a warm coat, please let us know.

(PLEASE LABEL YOUR CHILD'S COAT!)

*****You can send in non-perishable items for**

Cram the Cruiser anytime in November. ***
