

US/Canada Helplines and Support Organisations

Befrienders.org is a worldwide directory which is constantly listing suicide support hotlines for every country. If you cannot find the appropriate hotline for your country, try their website. If you have any suggestions of hotlines or organisations for us to add to our list, please [click here](#) and fill in the form with all the appropriate information so we can add it to our list. Your suggestions could help save or improve the quality of the life of someone who really needs it.

The directory is in English - if you can offer accurate translation for your country's section, please [email us](#) with the title "Translation *insert your country's name*" and a translated version of your country's section.
