If tied at the end of regulation then teams will play two 5-minute halves until the semi final games and finals, then it will be two 15-minute halves. It is not golden goal. If still tied it will go to PK's with 5 shooters. Then sudden death shoot out.

Because only 2 teams advance to Provincial Qualifiers, the consolation game can be either played or cancelled but both teams will have to agree on Friday so referees can be cancelled.

Good Luck to all teams!!
