

Fursuit measurement chart:

Head measurements:

Circumference of head around widest point of forehead

Arm measurements:

Circumference around widest point of upper arm

Circumference at wrist

Length from armpit to wrist

Hand measurements:

Distance from tip of middle finger to wrist (handpaws are mostly one size fits all, but I will adjust the pattern if you have a lot larger or smaller hands)

Feet Measurements:

Send a pair of shoes OR Shoe size in US Men's (online converters are available)
