Lewiston-Porter Central School District

One Purpose, Your Pathway, Our Promise.

Tamara Larson
Principal, Primary Education Center

**** IMPORTANT ****
PARENT NIGHT AT THE PRIMARY EDUCATION CENTER
THURSDAY, SEPTEMBER 19, 2024

Dear Parent/Guardian:

You are cordially invited to our annual ***Parent Night on Thursday, September 19, 2024 for grades K-2.*** Please enter and exit through the PEC Main Entrance. Mrs. Larson will also be available throughout the evening if you have any questions. Mrs. Larson may also be reached at tlarson@lew-port.com. The PTSA will be selling spirit-wear in our main foyer.

What will be discussed at the Parent Night?
This program will be a general informational meeting and is a wonderful opportunity for you to build positive school and family connections. Each teacher will describe their teaching and learning environment. They will also talk about what a typical day is like for your child in school, including schedules, on-line resources, special field trips and projects. Teachers will explain how you as a parent can become more involved in your child's education.

You will have an opportunity to meet with support teachers (reading and math interventionists, speech, occupational therapy, ENL teacher, social worker and the school psychologist); consultant teachers, as well as the special-area teachers (physical education, library media, STEAM, vocal music and art). These teachers play an integral part in your child's development and it would be beneficial to meet with them to learn about your child's program. ***Please refer to the schedule on the back of this letter for your child's grade-level meetings.***

**Please note:*
Private parent/teacher conferences will be held on **Friday, December 13th**, at which time it is appropriate to ask any questions you wish concerning your child's educational needs and progress in a confidential setting. You may also request a meeting at any time to discuss your child's educational goals and progress.

We look forward to partnering with you for a successful school year!

Sincerely,

Mrs. Larson, Principal
Lewiston-Porter Primary Education Center
