52-4705 Akoni Pule Hwy, Kapa'au HI 96755

Lat/Long 20.222159, -155.749078

Please ONLY use Google Maps to get to our property. Along the drive, you will lose phone connectivity a couple of times, so here's a print out:

### From the Kona Airport (~1 hour):

Coming out of the airport, turn left onto Queen Ka'ahumanu Hwy / HI 19 and you will be on that road until it ends (26.1 miles).

At the stop sign where Queen Ka'ahumanu Hwy / HI 19 dead ends, take a left onto Akoni Pule Hwy / Kawaihae Rd. / HI 270.

After you go ~1.5 miles you will see a gas station on your right - make a slight right to stay on Akoni Pule Hwy / HI 270.

Once in North Kohala, you will pass through the little town of Hawi and the town of Kapa'au, where you'll see the King Kamehameha Statue on the right.

After you go over the second one lane bridge you are getting really close. Follow the road curving back to the right and look for a small, colorful shop on your left and a sign on the right for the Kohala Baptist Church. Turn left down the narrow gravel driveway (you should notice a small pottery stand at the top of the driveway as you enter).

Turn left onto the gravel road at this sign

Our gate

Follow the gravel driveway straight down until you come to a fork at the end. You'll see a church on your left and our gate on your right. Stay straight through the gate, passing the tiki directional sign. The first house is Banyan + Bamboo, and the driveway dead ends into the Mango House.

Welcome!
