

Kenai Peninsula College And Career Fair 2025

Tuesday October 8th, 10:00am-1:00pm

Soldotna High School
425 W Marydale Ave
Soldotna, AK 99669

Hello Reps!

If your attendance has changed please email & let me know. 😊

The Kenai Peninsula Borough School District is excited to host the 2024 College and Career Fair on Tuesday, Oct 8, 2024

I have attached some information including parking, setup, start/ stop times, discount travel codes and other helpful information.

College & Career Fair Times: 10 a.m. – 1 p.m.

- **Setup/Breakfast:** 8:30-9:45 am - A Grab & Go breakfast will be provided in the break area. We will have a variety of light snacks, breakfast items & coffee available.
- **Tear Down & Luncheon:** 1:15pm - We will have a luncheon with a variety of sandwiches, chips, etc. following the Fair. You are welcome to sit & chat OR grab a sandwich for the road!

Travel information: Alaska Airlines flies into Anchorage. Flights to Kenai are operated by Kenai Aviation or Grant Aviation. Flights are approx. 15-20 min from Anchorage to Kenai. Most reps choose to drive the 2.5 hours from Anchorage to Soldotna. Use the Seward Highway and turn into the Sterling Highway at the Y near Cooper Landing.

** Staying the night? If you need information on Kenai/Soldotna lodging options, please email Mikal to assist you. There are several hotels in both Kenai and Soldotna.

Set Up Information:

Spots will be assigned alphabetically and you will be shown your space when you arrive at Kenai Central High school. We will be using the school gymnasium.

Each booth will have 1 6ft table and 2 chairs. We also have power strips & extension cords available if you need power. You can begin setting up at 8:30am

Vendor Contact Info:

-We do not use Strivescan or other paid data collection services. Students are instructed to bring either a 'business card' or a QR code so that they can share contact

info with representatives. We suggest having a sign-up sheet to collect student contact information OR a QR code to a form students can fill out & submit.

Entrances & Parking: Soldotna HS school has 3 parking areas. The front parking lot typically fills up quickly and is used for student/staff parking and parent pickup.

- The pool/side parking lot is available for participant parking. As is the back gravel overflow lot. ****The pool entrance & Entrance 2 are the CLOSEST to the gym/fair area. We suggest that you drop your gear at this entrance & then move your vehicle to the parking lot. Entrance 2 will be unlocked from 7:30-9:00am, after 9 you will need to use the Main Entrance or Pool Entrance to reenter the building.**
