We are greeted to the sounds of the gentle plod of hooves.

Krogan Are you sure you know where you're goin' Gali?

Galihan Yes! It's... just across this... field.

Krogan You don't know where you're going, d'yer?

Galihan Well it's hard to tell where we are when we stop every mile for a fuck break

Krogan I didn't see you complainin' – just admit yer lost!

Galihan I am **not** lost!

Krogan Yes, you, fuckin, are!

Galihan Oh, shut up.

Krogan Don't tell me to shut up! You tin fuckin' soldier

Galihan Tin Soldier! I'll show you Tin Soldier you big, stinking –

Krogan STINKING? I'll rip your nose clean –

There is a brief moment, it's clear that the listener has said something

Krogan The boy is right. We shouldn't argue, not when it's getting dark.

Galihan I quite agree. Will you set up camp?

Krogan Gladly.

Galihan I'll catch us supper. Will you and the boy be alright on your own?

Krogan Course we will, won't we boy?

Galihan Good. On then.

The horse speeds off, after a short time...

Krogan Thank you boy, for stepping between us. Gods know I'd have ripped his throat out had we come to blows. I'd have regretted it though. Truly. Go fetch wood for the fire. Off you go – oh, and stay close. These woods... we should be fine for the night but something's off. I can sense it.

The sounds of trudging footfalls fade and the rise of a crackling fire is heard. Krogan eats noisily and Galihan sighs heavily.

Galihan You even eat noisily...

Krogan I don't hear you moanin when it's you in my mouth?

Galihan Is everything about sex with you?

Krogan It is when a gallant knight and a handsome boy is so readily available.

Galihan *(Angry)* Gods Krogan. I... I-

Krogan What? Krogan What?

Galihan Nothing. Finish your meat. I don't think I can stomach mine.

Krogan Pass it ere', I'll ave it then.

He continues to munch

Galihan Urgh... I think I'm done for the night. I will be in the tent. Companion, join me?

Krogan The boy's going to stay right here. I want a mouth on my cock when I'm doing the first watch.

Galihan I think we're both fucked enough for today – you can use your hand Krogan, companion – with me.

Krogan E's not going anywhere...

Galihan It's not up to you.

Krogan Nor you neither...

Galihan Fine... companion, would you rather snuggle up with your knight? Or roll around like a hog with the orc.

Krogan Nicely put Shiny Fuck – how would you like a night of rough and passionate sex with your muscled ruffian or a limp wristed pawing from Knight Boy here.

Galihan Oh gods. Enough Krogan. If I didn't respect my companion as much as I did, I'd run you through right here.

Krogan Try it Knight. Also... "My companion" – what happened to "us"?

Galihan I – didn't –

Krogan rises

Krogan How about we settle this properly?

Galihan What do you mean?

Krogan Man to man. Come on. We both want to beat the shit out of each other, why don't we just get it out of our system.

Galihan You know what? Fine. If that's the way you want it. Fine.

Krogan Boy... you keep track, eh? There'll be a clear winner, that's for sure.

Galihan What are your terms?

Krogan If I win, I get to fuck you and the Boy any way I want

Galihan And if I win?

Krogan I don't give a fuck what happens if you win.

Galihan If I win, you sleep outside for the night.

Krogan Not very imaginative, but whuddever

Galihan Do you accept the terms or not?

Krogan I accept, it's not a poncy fuckin duel!

Krogan starts to undress

Galihan What are you doing?

Krogan Gettin ready

Galihan And you need to be shirtless?

Krogan Makes it more fun and saves time later when I'm fuckin you

Galihan Have it your way

Krogan You ready big boy?

Galihan Come on then

Sounds of fighting, it starts slow - lunging, grunting and then we hear the sounds of skin on skin and heavy impact.

Krogan Yield, Ser Shiny

Galihan Never!

Krogan Alright then

A heavy thud and a groan from Galihan

Krogan Had enough?

Galihan Yes, I yield. You stupid Green -

Krogan Enuff of that, you put up a good fight Gali but you should know a human'll never compare to an orc.

Galihan just groans and pants heavily

Krogan Now... my prize, two men to satisfy my needs - Boy, come and join Ser Shiny here on your knees. (...) Look at that, obedient as a dog - he knows a victor when he sees one.

 Now take my cock out and get your pretty lips around it.

Galihan Come on companion, the sooner we comply the quicker it's over

K - Appreciative BJ sounds

G - Sucking

During:

Krogan Don't be greedy Ser Shiny, share with the boy.

Galihan Don't flatter yourself

Krogan Why don't you tend my balls whilst the boy here sucks

Sounds continue

Krogan Those arses look ripe for the fucking, present yerselves boys

Galihan Just get it over with

Krogan Ahh, no need to be a sore loser Galli, you know I could be gentle... but I don't think you deserve it.

Fink I'll start with a boy who recognises the might of his companion. He won't complain with my big green dick inside of him.

Fucking ensues

K - Fucks listener first, lots of soothing condolences to the listener as he penetrates him. Then moves over to Galihan

Eventually the sounds of the forest fade away.

Galihan What was that?

Krogan *(mid thrust)* What?

Galihan That, that noise?

Krogan What noise?

Galihan Exactly, all the creatures of the night have gone silent.

Krogan It's just yer imagination. Just focus on my dick. Nuffin's gonna hurt ya.

Galihan I swear it Krogan... do you not hear it? We should stamp the fire out.

Krogan Oi! I worked ard for that!

Galihan Come on Krogan, you and I both know better than to meddle with the spirits of this wood.

Krogan I knew there was something wrong with the damn place... stay still boy.

Groans as he exits the companion

Galihan You look confused companion... I won't explain in full but this is the Wyrd Wood. It is home of the Holly King and his brood of the Hollow Hill. They are creatures of the night and it's said they parade through it looking for the child that was lost.

Krogan Fairy-tales, nowt more

Galihan You're an orc Krogan, **you're** supposed to be a fairytale.

Krogan Oo - you callin' a fairy?

An odd and eerie music softly begins to play... it slowly gets louder.

Galihan Shhh... they're approaching.

Krogan Bollocks.

Galihan Keep down... they will pass us by if we don't show ourselves.

Krogan You both lie there and watch, I'm gonna finish what I started.

Krogan proceeds to fuck the listener.

Marvelous... truly. The counter of King Aleron, the Hollow King keeps strange company surely. Look companion, there – the Thorn Ogres, aren't they terrible? The gnashing jaws of the earth. Then there are the Blightkins – similar to Goblins but much more terrible – intelligent and cruel.

Krogan Tiny dicks though

Galihan And there... the maidens of the hill, they ride before the King. Aren't they beautiful? Pale as the moon. It's said that many Knights of the Sun Court have fallen for their beauty

Krogan Only to be crushed by the hill itself.

Galihan True enough. Look! Look! The Hollow King himself... I never thought I would lay eyes on him. He looks so sorrowful. The mourning face of a man who lost his son when he was but a babe. He emerges from his hill every night in search of him. They light their ghost lanterns and call him home...

Krogan Poor fool

Galihan Hush Krogan

Krogan Listen, everyone knows his son's dead. That Witch Queen stole him away and threw herself and him off the cliff at the Crook. Everyone knows it.

Galihan You really have no sense of tact do you?

Krogan The fuck is tact?

Galihan I shouldn't have to tell you! Next town we're in I'm buying you a fucking dictionary!

The music has stopped.

Krogan Oh will you lighten up? You've had a stick up yer arse all fuckin' day

Galihan I've had far more than that up it Krogan!

Krogan I told you! You can top me when we – not now boy – you can top me on every other Tuesday

Galihan That is so fucking childish – companion, please – not... oh...

Krogan Childish! You want to talk about childish?

Galihan Krogan...

Krogan Talk about reliving the “good ole days” every other second, well, Ser Shiny – you’ve packed that...

Galihan **Krogan**

Krogan ...old life up and there’s no going back! You’ve accepted your life as a –

Galihan **KROGAN, TURN AROUND**

Krogan There’s someone behind me, ay there?

Galihan Ahhh, shit.

Rohan Ill-met by moonlight travellers. I am Rohan, prince of the Hollow Hill - You dare disturb the sacred woods of the Hollow King?

Galihan My lord, we meant no disrespect – we were but weary and sought a place to sleep.

Rohan You mean to tell me you mean no disrespect finding you naked and fornicating in the woods?

Galihan We... ah... good point.

Rohan You have made mockery of the Hollow Lord’s desperate search

Krogan Ardly fuckin desperate is it?

Rohan What did you say?!

Krogan I said, ardly fuckin desperate is it?

Galihan Krogan...

Krogan All I’m saying is – if you or the boy went missing Galli I’d do a hell of a lot more than parade up and down the same forest every night.

Rohan Outrage!

Galihan My companion does not know what he’s saying! Truly your grace we –

Rohan Silence! Enough - I have heard enough.

 You have all desecrated the sanctity of the Wyrđ Wood, and the penalty is death. But I am not unkind. I stumbled upon your grossness and I would be loathe to not allow you to finish before you draw your final breath.

Krogan Wha does tha mean?

Galihan I think he means he wants to see us finish our... you know

Krogan OHHHH, E likes to watch?

Rohan Call it what you will Monster. I am allowing you one final earthly pleasure before my men descend upon you.

Krogan The more the merrier.

Galihan Shut up Krogan and fucking kiss me.

The two passionately kiss

Galihan You too companion

The two take it in turns to kiss the companion

Krogan Down on your knees boy... put on a show for the princely windbag.

Appreciative blowjob sounds from the two receivers, during this intimate moment

Galihan Krogan, I apologise for being brutish, you didn't deserve it – fffuck that mouth, companion you are a wonder.

Krogan I was maybe too arsh on you too Galli, I can see the bruise formin already

Galihan But a scratch, here boy – to Krogan.

Krogan All the way to the fuckin balls boy, that's it. Yeah, I'm sure you'll recover quick enough.

Galihan Krogan... you could never hurt me, not really

Krogan Oh I don't know about that... I could make that arse shine as brightly as yer armour any day.

Galihan I'm not opposed to that

Rohan How touching...

Krogan I fink princely charmin here is feelin left out. Why don't you come an savour the mouth of the boy yer about to kill

Rohan I will admit, your companion... the man on his knees... appears most expert at what he does... perhaps I will savour his... talents.

Galihan Here my lord. Companion. Go to him

Rohan undoes his armour and then utters appreciative murmurs when the companions mouth is on his cock.

Krogan Don't mind me... fink I'm going to warm up his other hole...

Galihan I will join you.

Krogan laps at the listener's hole, Galihan whispers in the listeners ear (L), Rohan murmurs his appreciation, guiding the listener about what he likes.

Krogan If you don't mind boys, my cock is straining to fuck something.

Rohan Yes, fuck him, I wish to see a Monster fuck a human.

Galihan He's not a monster!

Krogan Oh I am if you want me to be.

Rohan The human knight will suck me whilst I watch

Galihan Urgh, fine.

Galihan does so, Rohan takes delight in the background as Krogan begins to fuck the listener.

Krogan (Whispered) Now listen boy, we're going to get out of this alive but you do everyfin I tell you to, right? We're gonna put on a show for the holey prince and when e's nice and distracted, I'll give you n Galli a chance to run... understood?

Good boy... now fer the moment, just focus on taking my cock.

Rohan I wish for the Monster to cum! Oh Gods, I will explode in this human mouth if he continues much longer.

Krogan Very well, you heard the man boy... let's go.

The sound of fucking intensifies until Krogan climaxes.

Rohan That is so hot! I would blow my load in the boy too

Krogan (Breathless) Be my guest...

Rohan I hope you're ready for a second load boy... you took that Monster so expertly... but my cock has pierced many a fine maiden and now... I will make you scream.

Krogan Not if I have anything to say about it.

Rohan What?

The prince lets out an urk as he's dragged up and away from the listener.

Krogan Now's the time to run boys... go!

Rohan My men are tenfold! You'll never escape us!

Krogan Ah shut up you elfin prick. Listen ere, I'm goin to walk away and princey is going to come with me. You elves stay where the fuck you are and I don't snap is neck, y'get me?

What are you two still doing here – run!

Galihan Come on companion, Krogan knows what he's doing. Lyra, go.

We hear the sounds of a horse running and feet on grass.

(...)

Galihan (breathless) I think that is far enough, we are out of the boundaries of the Wyrld Wood now, the hollow knights cannot harm us.

Have faith companion, Krogan will soon be...

Crunch crunch

Stay back companion, the elves may not be able to trespass past the wood but their arrows can fly where they will.

Crunch crunch

Krogan Alright boys...
