Health Guarantee:

Every rabbit receives a health evaluation before leaving our rabbitry. To the best of our knowledge, each rabbit is healthy and free from any known illness, injury, or medical condition at the time of sale.

Before leaving for their new home or hopping on transport, rabbits may receive age-appropriate preventative care, including:

- Nail trim
- (deworming)
- (mite prevention)

Once the rabbit leaves our care, Little Sweet Lops is not responsible for illness, injury, stress-related conditions, veterinary expenses, or death resulting from environmental changes, diet changes, or care provided after departure.

OUTDOOR HOUSING DISCLAIMER:

All of my rabbits are **bred, raised, and kept indoors** in a controlled indoor environment. Because they are accustomed to indoor temperatures, conditions, and protection, I strongly recommend continuing to house your rabbit indoors after purchase.

If you choose to transition your rabbit to outdoor housing, **you do so entirely at your own risk and responsibility.** Rabbits who have been raised indoors may not be accustomed to outdoor temperatures, weather conditions, predators, insects, parasites, or other environmental hazards. An improper or sudden transition to outdoor living can be stressful and potentially dangerous.

I am not responsible for any illness, injury, death, escape, loss, or other issues that may occur as a result of housing or transitioning a rabbit outdoors after purchase. **The decision to keep a rabbit outdoors is solely the responsibility of the owner.**

Pedigree Information:

Pedigrees are only provided once the rabbit has been paid for in full.

Buyers may choose one of the following pedigree options:

- PDF File (Included)
- EverBreed Transfer (Included)
- Printed Paper Copy (+\$5)

Please indicate your preferred pedigree option on the Sales Agreement Form.

It is the buyer's responsibility to save, print, or otherwise retain their pedigree. While we will make every reasonable effort to provide another copy if available, replacement pedigrees cannot be guaranteed indefinitely.

Pet-Only Policy:

Rabbits sold without pedigrees are sold strictly as pet quality rabbits and are NOT to be used for breeding.

If you later decide you would like breeding rights, a pedigree MUST be purchased directly from Little Sweet Lops before the rabbit is bred. Approval is at our discretion.

Little Sweet Lops does not guarantee:

- Breeding ability or fertility
- Show quality
- Future type, size, or ear carriage
- The quality, health, or characteristics of any offspring produced

Gender Accuracy:

Every effort is made to accurately determine each rabbit's gender. However, due to the young age of many rabbits, mistakes can occasionally occur.

Gender is not guaranteed.

If a gendering error is discovered while the rabbit is still in our care, a replacement rabbit of equal value may be offered if available. If the buyer chooses a rabbit of greater value, the price difference must be paid.

Pickup & Holding Policy:

Once you are notified that your rabbit is ready for pickup or local delivery, you must respond within 48 hours.

Failure to respond within 48 hours may result in forfeiture of your deposit, and the rabbit may be made available to another buyer.

Once a pickup or delivery date has been scheduled, the rabbit must be picked up within three (3) days unless other arrangements have been approved in advance.

After three days, a 10\$ boarding fee may be charged for each additional week.

If five (5) days pass without pickup or communication, all payments made, including deposits, will be forfeited, and ownership of the rabbit will revert back to Little Sweet Lops.

Feed Transition:

Each rabbit will go home with a supply of its current feed to assist with transitioning to a new diet.

Buyers should follow the provided feeding instructions carefully. Abrupt dietary changes can cause serious digestive complications, including gastrointestinal stasis, which can be life-threatening.

Rehoming Policy:

If at any time you are unable to care for your rabbit, you agree to contact Little Sweet Lops and offer said rabbit back this is an **ABSOLUTE MUST**. any rabbit sold as pets CAN NOT be sold to other breeders.
