Enrichment Thursdays

Enrichment classes are designed to complement topics or subjects that may have been addressed in class or in everyday life. Children will explore each topic in-depth and have amazing hands-on experiences. We are offering three fun and educational sessions throughout the school year.

Age: Pre-K (entering Kindergarten next year)

Maximum enrollment: 12 children per session

Day/Time: Thursday 12:30-2:30pm

Location: Room 2

Cost: \$160 per session

Please circle session(s) below

I: September 12 – October 17th

Sports - Amanda

This active class will introduce children to the fundamentals of sports such as soccer, basketball and more. Students will gain confidence, improve coordination, and learn the joys of teamwork.

II. October 24 – December 5th

Stem - Katie

(Science, Technology, Engineering and Math) Students will participate in science projects like making slime examine seeds, shells, and bugs. We will explore technology by coding with colors and getting hands on experience with gears.

III: December 12–January 30

Art - Katie

In Art class, the class will have an opportunity to experiment with a variety of art mediums. The students will learn about color, shape, and design while developing fine motor skills coordination and sensory exploration.

IV: February 6th-March 13th

Music and Movement- Amanda/Katie

Students will experience playful and engaging activities that involve both music and dance. Students will also create instruments by using recycled materials.

V: March 20th-April 24th

Cooking- Amanda

Our mini chefs will learn how to prepare a simple recipe that is focused on using ingredients from a different food group each week. Students will bring home recipes and samples of what they cook in class.
