

Hi, this is ____, is [voter's name] available? I am calling on behalf of Representative Brian Farkas who is running for re-election in November. Brian just had his re-election campaign kickoff this past Sunday and now we are getting our volunteer teams together to phone bank and canvass.

You had previously expressed interest in volunteering for Brian in the past.

Can we count on you to volunteer to help elect Brian Farkas for State House in the upcoming election?

IF NO,

Thanks for taking my call and have a great day.

[IF YES TO VOLUNTEERING] Great! We are starting our weekly phone banks next Wednesday, April 13th from 5 to 7 PM. Can you join us in person to help make calls to Democratic voters?

[IF YES TO VOLUNTEERING NEXT WEEK, MARK "SCHEDULED" IN DROPDOWN MENU ABOVE] Fantastic! Please bring a cell phone and a laptop or tablet and a campaign staffer will provide a list of voters to call. We are finalizing our meeting location this week, and as soon as we have that confirmed, someone will give you a call back.

May I have your email to help us keep in touch?
