Presentation:

Along and together, High Level UN representative. Particularly in the scope to transforming Education Summit 2022 and to highlight the amazing work of young activists.

Share a link for a JamBoard where it is asked: “One thing that you wish to get out of this discussion” and “What else do you feel brave and comfortable in an online conversation?”. Just to be sure we are creating a safe place for everybody.

On the JamBoard:

- Learning from others
- Highlight the priority of Youth and Student
- Concrete the action than UN can take
- Think about the young people meaningfully
- Transform Education Summit
