Hi everyone,

We are a week out from the start of testing.

Registration is set to close tomorrow. I have assigned Team Numbers so you can start assigning your team members. If you have any issues, please let me know. You should be able to move team members around even after testing has started. I understand fully how the table looks and trying to make sure you got all the names checked in the right spot.

Lists for Ex Des Div B, Ex Des Div C and WIDI are not posted in the Event Modifications link in the Tournament Document.

Please remember that you need to be registered and paid with your state. Please let me know if you are having problems doing this. It is mandatory for tournament directors to verify that you are current with your state.

Please work on getting payments mailed. I will continue to pick up checks Monday and Friday this week. If you need to pay by credit card, please follow:

That is the link for credit card. Can you just send me a screen shot of payment when you get the chance. I have to have my bookkeeper pull from the system.

Please reach out with any questions. My email is elglombicki@munsterschools.gov
