Hair & Makeup

*Please note stage makeup is required so that the dancer's face stands out onstage and so we can see their facial expressions. Dance is an art of expression, and to see expression under heavy stage lighting, stage makeup is required. Our tiniest dancers should just wear whatever makeup parents feel comfortable applying, but at the minimum the blush and lipstick. *Boys please consult your instructor*. Please note for Picture Day makeup can be toned down a bit.

Makeup (please get exact shades or something VERY similar):

- Foundation: anything to match students skin
- Blush: Covergirl Cheekers #140 "plumberry glow" or similar
- EyeShadow: Covergirl Eye Enhancers #282 "daring nudes"
- Lipstick: Covergirl #295 "Succulent Cherry", color stay "Classic Red" or Revlon Color Stay 093 "Boho Chic"
- Eyeliner: Black
- Eyelashes: Black mascara or fake eyelashes

Here's another step by step picture example:

How to apply
STAGE MAKEUP
by KAYLA WALLACE

STEP BY STEP

STEP 1 - Apply foundation all over face with concealer under your eyes.

STEP 2 - Apply a really light brown or champagne colour eye shadow all over the eyelid. And a slightly darker brown on the outer side of your eyelid, coming into the centre.

STEP 3 - Apply a black or dark brown eyeliner along the top of upper lid, creating a small wing slightly upwards, and eye liner right along the lower lash line, coming in just past the pupil. Also in this step, I filled in my eyebrows with a light brown eyeshadow.

STEP 4 - Apply mascara on the top and bottom lashes, I like to do an extra coat on the top lashes.

STEP 5 - Apply blush on the apples of your cheeks, and slightly upwards towards your temples.

Also in this step, I added red lipstick, and highlighting eye shadow.

For highlighting eye shadow use a white or light pink/champagne colour in the inner corner of your eye, and right below the wing on the outer corner.
