Kocaeli Provincial Directorate of National Education (KPDONE) , located in the city of KOCAELİ, is partner in a new Erasmus+ project, that started in December 2020. The project is funded under the KA2 programme - Cooperation for innovation and exchange of good practice, Strategic partnerships for school education. The project is coordinated by EDUFOR, Portugal in partnership with the Agrupamento de Escolas de Nelas. Other partners, apart from KPDONE, are Rezekne Technology Academy (Latvia), Dyslexia Association Bulgaria (DABG) and Grigore Moisil High School, Timisoara (Romania).

After the LTTs done in Kocaeli (November , 2021) and in Portugal (May,2022) , our participants gave Teacher Training to Private School Teachers,SEN Teachers and Science Teachers. After these ‘’Training for Trainers ‘’ , our Directorate started to organise these trainings regularly in all 12 Districts of Kocaeli as School Based STEM Trainings on behalf of STREAM Project .

The 4th training was organised between 19-23rd September ,2022 at İzmit Atatürk Ortaokulu by the trainers Nazlı ULUTEPE and Mehtap KILIÇ . The objective of the training was to show different activities that can be performed in an inclusive classroom and also in curriculum enrichment activities outside the classroom (project development, including thinking about the community beyond the school) for all students to work on for all lifelong learning skills and interpersonal skills, and the ability to adopt new competences.

Co-funded by the
Erasmus+ Programme
