

## SCENTED LAUNDRY POWDER

---

for 2 a  $\frac{3}{4}$  kg of laundry powder

### INGREDIENTS:

- 2 kg washing soda
- 500 g baking soda
- 250 g plant-based soap
- 20 - 30 drops of essential oil ( I love combination of EO Lemon, Lavender and Tea Tree)

### INSTRUCTIONS:

1. Grate the soap finely on a grater or use ready-made soap flakes or "noodles".
2. In a large bowl, combine the grated soap with the washing soda and baking soda and mix carefully.
3. After that, add essential oils of your choice and mix again carefully to evenly mix the oils.
4. Store the laundry powder in an airtight container. Use 1-2 tbsp of powder per full load (6 kg).

**Warning!** Take care not to inhale any airborne dust. Protect your mouth and nose with a mask or a cloth.
