

Fox C-6 Attendance Boundary Revision

Feeder Pathways 2017-2018 and Beyond

One of the primary goals for the Attendance Boundary Committee was to reduce and simplify the district's 19 feeder pathways. With the adopted plan, the district has met this goal by reducing pathways from 19 to 13, creating a distinct flow with two middle schools (Fox and Ridgewood) feeding Fox High School and two middle schools (Antonia and Seckman) feeding Seckman High School.
