Kathleen (Katie) Joseph - Social Studies Teacher/Tech Coach - Mt. Blue High School

Katie is an indispensable member of our RSU 9 team and has been instrumental in developing innovative and effective curriculum materials. This past summer, Katie was actively involved in planning with the Grades 6-12 Educational Leadership Team, including crafting the graphics to align with our PD plans for 24-25.

Katie was a key component in planning and implementing the Tech Institute, contributing her expertise in technology and her ability to work effectively with others. She also provided mentorship and support to new teachers in our New Teacher Training program prior to the start of the school year. Her experience and knowledge have helped new teachers acclimate to their roles and work towards developing effective teaching practices.

Katie is a creative thinker, problem solver, and collaborator. She is always looking for innovative ways to improve our programs and initiatives. She is also a skilled problem solver who is able to effectively address challenges and find solutions. Her hard work and commitment to excellence make her a true asset to our school and our district.
