A New Mascot Arrives to Eta Pi!

Introducing the one and only, Kapo the Cheetah!

Kapo came to PMB Registration this year.

.....

Hello Alumni! We must inform you that the days of Chester the Cheetah are no longer. Our treasurer crocheted this little guy over the summer. The name “Kapo” means “sweetheart” and he is exactly that! We’ve enjoyed carrying him around with us through band camp and marching rehearsals. Check out our Instagram @kkyetapi to see our band camp post!

Speaking of band camp, we had a great one this year! Some of our highlights were talking to people at registration, holding our annual s’mores event Monday night, and hosting Panther Palooza Thursday night. The band has put in great efforts to bring you awesome shows. We’ll be sure to put the football schedule in this newsletter. Please come out and support the Panther Marching Band!

Kappa Kappa Psi is helping host a big, new event this fall. We are collaborating with all of UNI’s music greek organizations; Tau Beta Sigma, Phi Mu Alpha, and Sigma Alpha Iota. It’s going to be a School of Music Welcome Event for freshmen and returners. The event will include student performances, dinner, game rooms, and a movie at the end of the night. We are excited to see the turnout and hoping it all runs smoothly!

In regards to new news, you have a new Alumni Relations Officer! My name is Addy Dahlquist. I’m a sophomore graphic design major who joined Kappa Kappa Psi last fall. I look forward to connecting with you and I’m already brainstorming ideas for alumni events! My goals are to host at least one alumni event each semester and release newsletters every month. If you have any suggestions, please reach out through the ARO email.

The last thing we’ll ask of you is filling out a form about “The Why of KKPsi.” Our vice president Reagan has asked our chapter to dive deep into that question this year. Your answers could be featured on our website or social media. Hearing the “why” from past and current members helps us reach potential people who are interested in joining. My personal “why” is that I love the diversity of our chapter and the fact I get to befriend people outside of my section and major that I probably wouldn’t have met otherwise. Please consider answering! <https://forms.gle/t12U5A55FNgeEeVvt8>

Our chapter hopes you are staying cool during this hot month and enjoying the end of summer. Take care brothers!

Calendar of Upcoming Events:

Collaboration with the Waterloo-Cedar Falls Symphony Orchestra - Sep 2 (5:30pm)
Game Night KKY Recruitment Event - Sep 8
Weber State at UNI - Sep 9 (4pm)
Painting KKY Recruitment Event - Sep 17
