

Oil of Elemental Invulnerability
(from Unearthed Arcana)

This precious substance gives total invulnerability to one type of normal elemental force on the Prime Material Plane: wind storms, fires, earth slides, floods, and so forth. There is a 10% chance that each such flask will also be effective on the appropriate Elemental Plane; this allows the protected individual to operate freely and without danger from elemental forces. Attacks by elemental creatures are still effective, but with a -1 penalty per die of damage. A flask contains enough oil to coat one human-sized creature for eight days or eight individuals for one day. The element protected against is determined randomly.
