www.Raz-Kids.com

I created a Raz Kids account for you that I would like you to use. Go to www.Raz-Kids.com.

Click "kids login"

Type "**shalhout**" for your teacher username, then select your name. **Your password is your student number.**

After that, go to **reading** at the top of your screen, click Reading Room and you can read any of the books! There are also Leveled Books that are your reading level. The more you read the better, because there will be a Running Record Assessment soon. **Try going on this about 15 minutes a day.**

If you did this with Mrs. Charara, you do not need to create a new account. Just keep working on it.
