You've got a friend in me

F            C            E            Am

When the road looks rough ahead

F            C                    E            Am

And you're miles and miles from your nice warm bed

F            C                    E            Am

You just remember what your old pal said

D7                    G            C

Boy, you've got a friend in me

A            D7                    G            C            Am            A            C            G

Yeah, you've got a friend in me

C                    G            C

You've got a friend in me

F                    C

You've got a friend in me

F            C

You got troubles

E                    Am

And I got them too

F            C

There isn't anything

E                    Am

I wouldn't do for you

F            C                    E            Am

We stick together, we can see it through

D7                    G            C            A

Cause you've got a friend in me

D7                    G            C

You've got a friend in me

F                                    B

Some other folks might be a little bit smarter than I am

C                    B            C

Bigger and stronger too, Maybe

B C

But none of them

D B

Will ever love you

Em A

The way I do

Dm G

It's me and you, boy

C G C

And as the years go by,

F C

Our friendship will never die

F C E Am

You're gonna see it's our destiny,
