6. Members have permission to show up as they need to show up - all feelings are welcome.
7. Members who plan to attend should check IN via email to the group email list OR indicate that they are IN on the [Southern NH Circle List, a Google Sheet](#).
8. Members should check OUT directly with a man who has checked IN, if they previously checked IN and later decide that they can not make the meeting.

10. Members agree to mention during the meeting any drugs they may be using that could affect their presence.
