

How do I join a Google meet as a student?

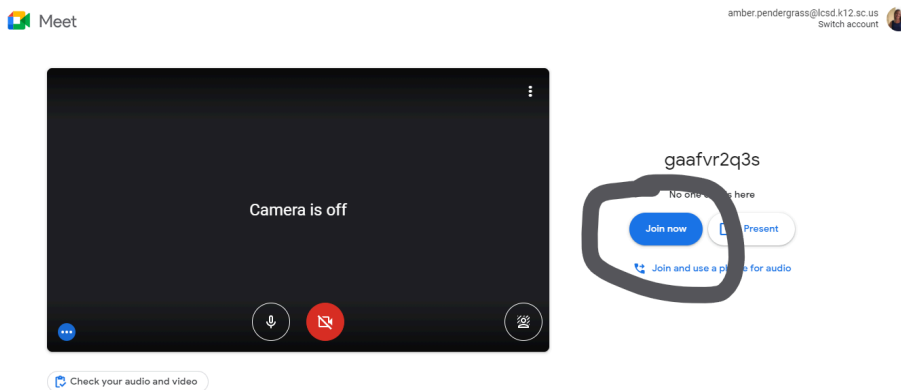

1. Go to the google classroom at the time your class starts. Your screen should look like the following:

2. Click on the "Meet Link"- See the circle area below

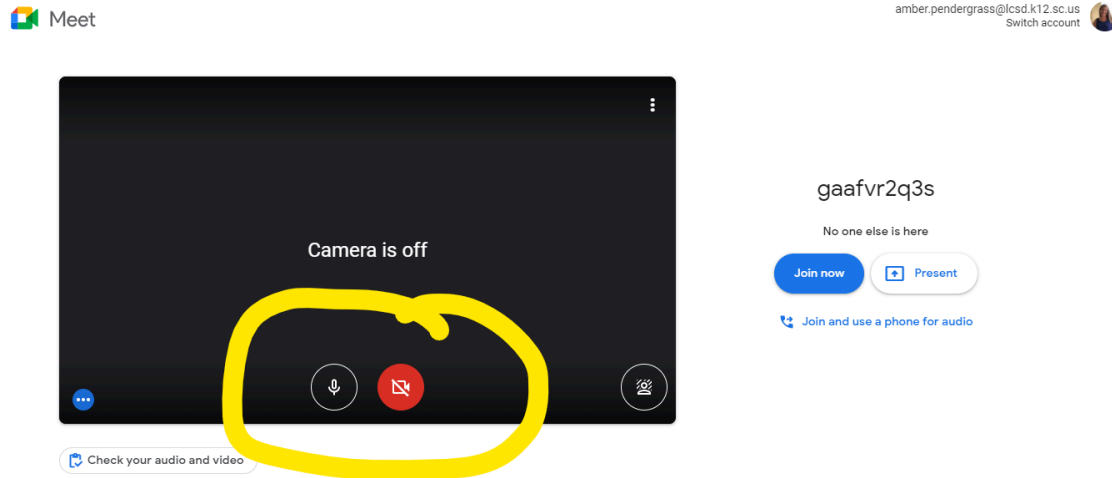

3. Click join now:

How do I join a Google meet as a student?

4. Make sure your microphone is on mute. You can also turn your camera on and off:

5. Note: You cannot join the meeting until your teacher joins. If the above does not show up, just wait until your teacher starts the meeting.
