Important Information about Webster Athletics.....

- All students who go out for a sport make a team, there are no cuts. Boys basketball and girls volleyball have “A” and “B” teams that are determined on skill level.
- Practices and competitions are held primarily on Mondays, Tuesdays, Thursdays, and Fridays. Occasionally there may be a special event scheduled on a Saturday.
- Students must be passing all classes at the end of the quarter when grades come out. If a student receives a failing grade, he or she is ineligible to participate in games for 15 days. See the student handbook for greater detail.
- Webster is a member of the Braveland Conference. There is a north, central, and a west division within this. We compete primarily against schools within our own division (north). Occasionally, we compete against a school in the west division or a school outside of our conference. Divisions are determined by geographical location. Directions to away games and track and cross country meets can be found on the Webster Athletics website.
