2. **Four quick updates/reminders:**
   a. **Student Course Evaluations – New online system – IOTA360**
      i. Blue has been replaced through a shared governance consultative process that resulted in IOTA360 as our new system as was previously reported. The last day of access to Blue is 11/15/2022 for those who may want to download reports. Please refer to Cris Notaro's email of 11/1/22. However, a back up archive has been established. Cris Notaro is the Academic Affairs point of contact for any related inquiries.
   b. **Discussion Draft for *Guidance: State University of New York General Education Update (discussion draft for feedback)*** is circulating for comments from our campus to SUNY – must be submitted by Academic Affairs by November 10, 2022. Barbara Hillery is working with the LEC and others to finalize the campus' comments.
   c. **Discussion Draft for Award of Academic Credit by Evaluation is circulating for comments from our campus to SUNY –** must be submitted by November 18, 2022, and faculty governance is playing a lead role in this process which includes CAP, APEL and APPC, which is consistent with faculty purview over curriculum. Please find my highlighted copy for more details.
   d. **Distance Learning 2022 Five Year** Assessment Draft – we have not closed the comment period but would like to finalize the report. Please send any feedback to Ed Bever as soon as possible, but no later than November 11, 2022.
