Mail: actaltmay12@gmail.com y reuniones: todos los domingos 19:00 UTC, in Mumble (Server: occupytalk.org + Room: Round Table)

Actas: <http://piratepad.net/DCgEQgP6IA>

Se plantea la necesidad de generar unas acciones a nivel mundial para el 1, 12 y 15 de Mayo.

Las que más se han hablado son:

- Flash mob de 3 mins. de quedarse parados (para dar a entender que nosotrxs si reflexionamos)
- Muchas asambleas se plantean volver a acampar.
- Enviar e-mails y sms cortos a instituciones/personas importantes todxs al mismo tiempo.
- Acciones de Yonopago.
- Apagón eléctrico durante 10 mins. todo el mundo a la vez. (Se comenta que para hacer un daño real al menos el apagón debe de ser de 30 mins)
- Hacer una mega pancarta en la que se pongan todos los logros conseguidos.

Nueva propuesta: encheminlaura@gmail.com // idea: <http://titanpad.com/idea12m>

2) Global call

Se ha creado una web www.globalmay.org para votar iniciativas y para la gestión de propuestas. Por ahora es una beta y se invita a que todo el mundo la pruebe para que se pueda sacar la plataforma.

Se solicita ayuda para sacar el proyecto para adelante. En un principio se han escogido las propuestas de Salamanca y Madrid por ser las más completas. Se pide que el resto de asambleas repitan sus propuestas para poder incluirlas.

Para contactar con el grupo: rnmdn@riseup.net, dennmans@gmail.com

Si más personas están interesadas en trabajar se acordará unas asambleas y se creará una lista de mails.

3) Comunicación

Hora: todos los viernes a las 19.00 UTC en el servidor occupytalk.org en la sala 12m15m - communication

e-mail: *communication12m15m@lists.takethesquare.net*

Se reunieron ayer pero el servidor se cayó por lo que no se pudo hablar de mucho. Se está trabajando en un texto corto con la descripción de los GdT e invitar a la participación. Se habló de la web www.gobalmay.org y de cómo darla difusión. Se pide que a gente haga propuestas de slogans y diseños.

Orsan: Debemos usar las plataformas como ROAR, adbusters para hacer difusión. Occupy está trabajando en Mayo y haciendo trabajo de comunicación.

4) Lega Team

No hay noticias.

6) Other groups: tecnic

e-mail: *equipote@listas.democraciarealya.es*

They read a text for reflection arising due to lack of participation of our comrades in the 3-5 work groups that we have. Summary <http://titanpad.com/reflexionDina3-marzo>

We've done so far: <http://titanpad.com/summaryassembly12m15m>

Protocol for the assemblies that are held in mumble: <http://titanpad.com/protocolassembly>
(waiting for translation)

Proposal for a rotation of servers: reunion of SuperUsers underway to solve this problem

About making contact & first meeting with Asia and Oceania, a proposal/suggestion for them to participate in the meetings (no one answered the invitation sent by email)

Proposal for a 'Welcome group' explained (more info here: <http://titanpad.com/protocolassembly>)

1) Actions and Alternatives and Solutions WG:

Mail: actaltmay12@gmail.com

Meetings on Sundays 19:00 UTC, in Mumble (Server: occupytalk.org Room: Round Table)

Minutes: <http://titanpad.com/A-A-S12M15MWG>

Regarding the need to obtain a global unified action/response for 1s, 12th and 15th May.

Examples of actions easy to fit (carried over) in any part in the world:

- Flash mob in 3 mins. of standing (to demonstrate that we are reflexive)
- Many assemblies are planning back to camp (occupy).
- Send e-mails and sms or tweets with short messages to institutions / important people all over the world at the same time. - #Yonopago and other civil disobedience also in the virtual world
- Turn off the light for 10 mins. everywhere at once. (It is said that to make a real impact at least must be 30 mins)
- Make a mega banner/flyers/videos/etc to display and spread the achievements of every assembly

All these proposals were obtained from the

database: <http://titanpad.com/proposalfor12and15May>

During the Assembly, a new proposal as an alternative to the manifestation of the May 12 was presented: <http://titanpad.com/idea12m>

An example of how they are working in Madrid: <http://actasmadrid.tomalaplaza.net/?p=3078>

All this info has been put available during the past week:

<http://occupii.org/profiles/blogs/12m15m-may2012-updates-and-meetings>

2) Global Call WG has created a web www.globalmay.org to make polls about MAY2012 initiatives and proposals. For now it is a beta version and they invite everyone to test it so we can launch the platform soon. Help Wanted to take the project forward. Initially the proposals have been chosen in Salamanca and Madrid to be the most complete. It is requested that the other assemblies submit their proposals in order to get included. To contact the group: rnmdn@riseup.net, dennmans@gmail.com
If more people are interested in joining this group meetings will be scheduled and they will probably create a mailing list

3) Communication WG

Meetings: every Friday at 19.00 UTC on the server in the room occupytalk.org

ROOM: 12m15m - communication

e-mail: communication12m15m@lists.takethesquare.net

They met yesterday but the server went down, couldn't work that much.

Working in a short text with the description of the WG that would also invite participation.

Talked about www.globalmay.org and how to help spreading it.

People are requested to make proposals for slogans and designs (MAY2012 theme)

Orsan: We must use the platforms as ROAR, Adbusters for diffusion. his impression is that there are other groups working dedicated to what we have and what we have and chennus're contacting them

4) Legal Team

No meetings, no news

6) Other groups: technical e-mail: equipote@listas.democraciarealya.es

Facilitation will get in contact with the admins of 3 mumble servers to solve the problem of losing people every time we change the meeting host

There are a number of shared demands, unemployment, debt, taxes, etc... We cannot do a traditional strike have to do a strike of consumerism. This system is based on consumerism, if we stop consuming, we will crumble the system, it will fall down.
