

Bad Things

Machine Gun Kelly and Camila Cabello

D A
Am I out of my head?
 Bm
Am I out of my mind?
 D7 G
If you only knew the bad things I like
 D
Don't think that I can explain it
Em A
What can I say, it's complicated
D A
Don't matter what you say,
 Bm
Don't matter what you do
 D7 G
I only wanna do bad things to you
 D
So good that you can't explain it
Em A
What can I say, it's complicated

D
Nothings that bad
A
If it feels good
G
So you come back
D
Like I knew you would
G
And we're both wild
D
And the night's young
Bm
And you're my drug
A
Breathe you in 'til my face numb
D
Drop it down to that bass drum

A
 I got what you dream about
 G
 Nails scratching my back tatt
 D
 Eyes closed while you scream out
 G
 And you keep me in with those hips
 D
 While my teeth sink in those lips
 Bm
 While your body's giving me life
 A
 And you suffocate in my kiss
 Then you said

 D
 I want you forever
 A
 Even when we're not together
 G D
 Scars on my body so I can take you wherever
 G
 I want you forever
 D
 Even when we're not together
 Bm A
 Scars on my body I can look at you whenever
