SL- Try this trick for your business for FREE!

Hey (name)

(Compliment)

While looking at your page, I had noticed that you weren't doing one of the most IMPORTANT things when working in (their niche) that could be costing you thousands to hundreds of thousands of dollars!

I have created a Google Doc with the information you need.

Are you going to take this chance to change your business?

With regards,  
Derek

Business is super competitive, always coming with new ideas to grow your business and the constant race for money and new customers.

When getting new customers there's one thing you absolutely need in order to gain new customers. Especially if you are running ads through facebook, instagram and tiktok.

Or even through an email list....

All we need is just a few seconds of it and we got new customers rolling in for your (product).

Now, this great thing that will drive new customers to your business is going to make you freak out and not everyone is good at doing this.

This game changer when it comes to gaining new customers is **ATTENTION!!!**

Attention is what makes or breaks a business in today's market specially with short form content becoming such a big thing.

Are you gonna be one of these businesses that breakthrough?

Or are you just gonna sit around and keep doing the same thing and expect different results?

## Outreach/Free Value
