Spirit, not to worship the Name.

It shall be on Earth as it is in Heaven.
The time of the end means the new day is here.
We'll build it together through this era's teachings.
So roll up your sleeves 'cause world unity's near.

Krishna, Moses, Zoroaster, Buda,
Christ, Muhammad, the Bab, Baha'u'llah –
the spirit's the same.
Baha'u'llah teaches for today, tells us to look to the spirit,
not to worship the name.

This a new time, a new Day, new beginning
Each atom has changed a new era's begun.
This century's brought us a new way of living.
His love brings advancement
Like rays of the sun.

Like automobiles, electric lights,
we fly around and see the sites,
World movements for human rights,
A trip to the moon.
Some people say these are terrible times,
But it's a brand new world, these are the signs,
This life's too great to just resign, investigate soon.

Krishna, Moses, Zoroaster, Buda,
Christ, Muhammad, the Bab, Baha'u'llah –
the spirit's the same.
Baha'u'llah teaches for today, tells us to look to the spirit,
not to worship the name.
