

EPS School Council Agenda

February 18, 2025

Attendance:

1. Call meeting to order @ 6:06
2. Review & Approval of Agenda by Heather
3. Approval of Minutes by Destiny
4. Old Business:
 - a) Trickster Theatre discussion: 100% agree that the students had a blast creating and performing in the production. They came away from the night really proud of themselves and the creativity they put forward. Have heard mixed reviews from the community, as it was an untraditional Christmas concert. Going forward with this idea in the future we will schedule it during another time of the year to curb the expectations of the families.
 - b) ASBA (Alberta School Board Association) gave a \$500 grant to be used on parent engagement. Ideas were presented at a joint school meeting and shared. We have until June to decide on funds. Could be included in Karen's survey (top 3-4 ideas and see what parents prefer as a topic presentation).
5. Reports:
 - a) Student Union Report:
 - b) Teacher's Report: Appreciated support for literacy week, pizza party awarded to Grade 3 class. Field trip coming forward so look forward to the fundraising!
 - c) Principal's Report: FYI, PDE (Provincial Diploma Exams) still go on no buses running day (cold days), that is not an excused absence. Grade 9's wrote PAT provincial exams. Very special thanks to all that came out for library family night. 100th day of school today, reading with a special person was very well attended, teacher convention 2 days of learning and 2200 teachers attended!
 - d) Grad Report: Finalizing date and food choices. Hoodies came in for Graduates.
6. New Business:
 - a) Ideas regarding \$500 ABSA grant, how will we utilize this money on an informational meeting aimed towards parents?
7. Next Meeting: March 11 @ 6:00 pm
8. Meeting Adjourned @ 6:29 pm
