

One volunteer requested 35 hours (onsite with flexible timing, Monday, Wednesdays, Thursdays, or Fridays, between 9:00am-2:30pm )

Summary: Student volunteer will participate in the process of creating a public art exhibition on display in the historical Mitchell Park Horticultural Conservatory, aka "The Domes".

This call is for a student artist to directly assist the Park Artist in developing conceptual ideas pertaining to the show themes and creating artwork for each show out of a multitude of materials. The final works will be installed into the exhibition space consisting of a 250 sq ft sand bed with living plants growing around the final artistic installations.

Entrants shall be knowledgeable in one or more of the following artistic areas of focus:

1. Painting
2. Sculpture and installation
3. Scenic and Prop Design

A volunteer will be asked to devote at least 3 hours of time each week to assisting create various types of art works. Tasks can range from: researching topics and developing theme concepts, various graphic design work, variety of sculpture building techniques, painting, installing, maintaining props, and organizing materials, etc.

The volunteer should be ready to take instruction and work independently on a task. Ideally the volunteer would have a keen eye for details and aim for clean execution of finishing work.

Requirements: Please digitally submit 5 to 10 photos of your work which you feel best reflects your skill sets. Links to your digital resume, portfolio and/or website are welcome.

- The Park Artist and the student will initially meet for one hour to orient the student to environment & expectations, as well as determine more specifics regarding current art projects.
- Each week, the student will check in to arrange tasks for that week as well as updating the progress of their project.

Note: If you plan to complete a project digitally, you will need to bring a computer/tablet with you to The Domes.
