CHICAGO, IL 60617

Welcome to the George Washington High School Community Conference! We are thrilled to have you join us to celebrate the hard work and creativity of our students. This event is a wonderful opportunity for our young leaders to showcase their projects, engage in meaningful discussions, and inspire one another.

As you explore the various presentations and activities, we encourage you to connect with our students, ask questions, and share your insights. Together, we can foster a sense of community and support that empowers our youth to make a positive impact.

Your Feedback Matters!

We kindly ask that you fill out the feedback form for each student after their presentation. This feedback will be invaluable for our students as they reflect on their experiences and the conference as a whole.

You can access the feedback form using the QR code below:

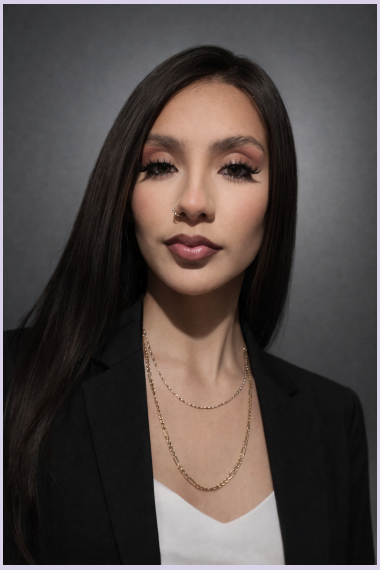

Thank you for being here to support our students and their efforts. Enjoy the conference!
