

## Interview Sign Up Instructions

**Overview:** This document breaks down the steps for participating in the Student Perspectives interviews this summer.

**Step 1:** You will first need to create a [UMICH friends account](#).

**Step 2:** Usually, UMICH researchers have to go through PEERS training before conducting research. UMICH allows non-UMICH researchers to be exempt from this process if you complete CITI Training. The training setup varies by institution. You should complete the Human Subjects Research for Social Behavioral research. I have provided links below on how to access the CITI training depending on your institution:

- [UCSB](#)
- [IU](#)
- [MSU](#)

**Step 3:** Then, you should submit [verification](#) that you have completed your CITI training. This form will ask you to provide information regarding your UMICH friend account, CITI training, and IRB Information. The PI for this project is Meaghan Pearson and the IRB Application ID is HUM00198834. It usually takes 2-3 days to process.

**Step 4:** Once you receive verification that request is approved, reach out to Meaghan via email at [meaghanp@umich.edu](mailto:meaghanp@umich.edu) so she can add you to the IRB.
