Loader:
https://mega.nz/file/uJciTaDC#BmqR4H-7EAGFUFs9wuQNXez3luWMv0LSk8DVw2TjLSk

instructions:

- Open loader and inject.
- Once done go to C:/roomid/ and you will find a file inside with the room ID for you to copy and paste into the web loader

Open https://radar.dfradar.xyz/ ) put in your session id

Then the room should be live and you should be able to see everyone when in game!
