

# My Color Tiles

## Privacy Policy

1. This privacy policy describes our policies regarding the collection, use and disclosure of personal information when you use the “My Color Tiles” application (hereinafter referred to as the "Application") for Android.
2. By using this application, you agree to the collection and use of information in accordance with this privacy policy.
3. The application does not collect or transmit any personal user data or equipment data.
4. We may update this privacy policy from time to time.

If you have any questions about this privacy policy, please contact us by email:
