Prospective 'Hybrid' EMT Student,

Thank you for your interest in Southwestern Community College's Public Safety Training Center EMS Training Program and our Hybrid EMT course.

Course Description:

The primary focus of the Emergency Medical Technician is to provide basic emergency medical care and transportation for critical and emergent patients who access the emergency medical system. This individual possesses the basic knowledge and skills necessary to provide patient care and transportation. Emergency Medical Technicians function as part of a comprehensive EMS response, under medical oversight. Emergency Medical Technicians perform interventions with the basic equipment typically found on an ambulance. The Emergency Medical Technician is a link from the scene to the emergency health care system.

The following link will take you to a more in-depth description of the Emergency Medical Technician- Basic program: <http://www.ncdhhs.gov/dhsr/EMS/pdf/emtbnscc.pdf> See Appendix A, Functional Job Analysis (Page 569)

The class consists of 245 hours consisting of didactic web-based coursework, as well as several Saturdays held at out Jerry Sutton Public Safety Training Complex located in Franklin, NC as well as 48 hours of EMS Field Internship.

Upon successful course completion, students will be eligible to sit for the North Carolina Office of Emergency Medical Services, EMT as well as the National Registry of EMT's, EMT credentialing examinations.

This document contains important information regarding the specifics of the class as well as prerequisites that you must complete prior to the beginning of the course.

The following are the fees associated with the course:

****The registration fee for the course is \$180.00 unless fee exempt. Fee exempt status includes active membership with a Fire Department, Rescue Squad, EMS Agency or Law Enforcement Agency. Membership must be verified by submitting a letter on Official Department Letterhead stating that you are a member in good standing with the respective department and must be signed by a Chief Officer of the Department. *This letter must also be presented on the first class meeting or you will be required to pay the registration fee, NO EXCEPTIONS.***

****Uniform:** Students are required to purchase one complete uniform consisting of an official Southwestern Community College EMS program uniform shirt and EMS trousers. The cost is approximately \$75.00 with an additional charge for plus sizes.

In addition to the uniform, Black boots and black belt are also required, students are expected to provide these items.

****Photo I.D.** An official SCC EMS program photo ID is required. The cost is \$1.00.

****Malpractice Insurance.** Students must purchase professional liability insurance with limits of \$1,000,000 per claim and \$3,000,000 aggregate, the cost is \$35.50.

****Students are also required to acquire a Criminal Background check in order to perform the required Field Internship rotations. This background check is submitted prior to any field internships. This shall only be performed by an approved SCC/PSTC company. More information will be available on the first night of class.**

***Required personal protective equipment, cost is \$5.00.**

****Fees associated with the completing the Medical Exam Report and proof of required immunizations are also the student's responsibility. The Exam Report requires a physical examination and documentation of the immunizations as outlined on pages 4-5 of the form.**
