

Ms. Love: English II and II H

English II builds on the reading, writing, speaking, and research skills introduced in English I, with a focus on literature from around the world. We will be exploring cultures through their literature and discussing ways in which our culture is similar to and different from others. The list below indicates works we *may* study this semester:

Contents of McDougal Littell English II Textbook

CommonLit 360 Units, including Coming of Age and War Stories

Annie John - Kincaid (HONORS)

Things Fall Apart - Achebe

The Kite Runner - Hosseini (HONORS)

Assorted Latin American short stories and poems

Please help me ensure your student's success by monitoring Infinite Campus. Many students fall behind trying to balance extracurricular activities, jobs, and academic work.
