32. No more footprints, but something is over there.
33. Swanson's truck is green. This one is clearly not green.
34. Trucks were missing all over the place, but only one was reported.

44. Have some bread laced with chloral hydrate.
45. Want some advice? Find something to get your mind off it. Have you tried whiskey?
46. I should drive. It won't look suspicious.
47. I drive fast to kick up dust, so the Giant will see.
48. Glen isn't in a hurry...
49. Stop out in the open so we have to run.
50. Glen likes carbs rather than cows now.
51. Down he goes onto the Sergeant.

66. The expensive props must be shown again.
67. Is it weird that his fiance and sister look similar???
68. An extended flashback. Is this padding???
69. And yet there's more.
70. Here is the shot scene.
71. This is where he falls into the dam. We're getting a recap of the first movie...
72. The ropes have broken, and I am not sure what the soldiers are trying to do.
73. They're going to need more men...
74. That didn't quite work...
75. Make more bread???
76. These early special effects are special...
77. Shoot at him to lure him away.
78. Show the makeup side so we don't realize its a different actor.

102. Major Baird? Glen has escaped.
103. APB on the Giant!
104. Of course, they won't be able to see him.
105. Where would a 60 foot man hide? Griffith park of course.
106. Let's all go to Griffith Park.
107. Everyone watching TV, don't go to Griffith Park.
108. We'll go so you don't have to.
109. A guy from Jersey as the bus driver!
110. He's between us and the observatory -- where the kids are.
111. We hope to show you Glen's death live on camera!
112. The chlorol hydrate bread, and the ether bombs worked. Let's not use those again.
113. We haven't gotten the kids out of the observatory...

119. Those lights bother you, so we will continue to shine them.
120. Glen has the school bus, if only she had her coat she'd be fine.
121. Glen, I'm your pretend sister, listen to me.
122. Put them down -- gently presumably.
123. Try to think. They're coming for us.
124. Wait Glen
125. Suddenly color as he electrocutes himself.
126. They only had one reel of color film???

127. The end???
