Dear Rising Grade 8 Parents/Guardians:

The 2025-2026 school year is quickly approaching. Middlebrook staff members are excited about the coming school year and preparations are already underway. Between **May 20th and May 28th**, parents will need to access the PowerSchool [parent portal](#) to review their child's/children's courses. Please be sure to review this information and contact us (see below) with any questions before the May 28th deadline. To **view** and **acknowledge** courses, please reference these [directions](#). This is not a finalized schedule. Schedules will be finalized and made available at the end of August.

To learn more about all courses offered at Middlebrook, please review our [Middlebrook Program of Studies](#).

We ask that you review the courses by May 28, 2025. If you have questions, you may find answers in our [Frequently Asked Questions](#) document or the [MB Course Registration Web Page](#).

Still have questions regarding the registration process that are not answered in the links above?
