

List of models available for commission work

List is sorted by series A-Z

Melody my robot mascot is allowed to be requested in commissions, however since she represents my account I will refuse any commission that portrays her in a situation I do not want her in.

Feel free to suggest characters that are not on this list, however there is a chance I will not be able to obtain a model not listed here. Models will be added to this list over time as I acquire them

(Animal Crossing)

Ankha

Isabelle
